

# NAAP & CMS National Partnership to Improve Dementia Care in Nursing Homes

## Best Practice

### Dementia Care Approaches

*“Activity Programs that Made a Difference”*

*NAAP is working with CMS to hear the voice of our nations Activity Professionals regarding tools and approaches that have worked for Dementia residents. We want to hear YOUR stories of success to share with other professionals around the United States. Please submit your Best Practice story.*

**Submissions deadline is August 1, 2014**

***For questions/guidance/submissions contact:***
