Since April 2013 the following has been accomplished:

- Monthly Conference Calls with Board Members
- Prepared Agenda for conference calls with approval of board

- 2015 work calendar completed and emailed to board members
- Prepared and sent out agenda for mid- year after approval from board
- Monitored finances with Executive Director and Board Members monthly
- Advised ED and Board members as requested
- Answered questions from members when contacted
- Voted on a issue when required (when there was a tie when voting by board members)

I want to thank each board member who has worked very hard in making our association the best it can be, and I want to thank you for being members of this premier association. If I or any board member can be of service please contact us, we are here for you.

To our Executive Director, thank you for your dedication and love for this Association.

Yours in service,
