

“Oh, how much I love Activities!”

Verse:

Here they come it's our Participants
Eager to start their time with us

We'll draw pictures of our favorite things
Or sing songs about our holidays

Bridges:

We'll get up and do our exercise like we should
Helps me feel much better every time that I improve

Chorus: Oh, how much I love Activities!

Verse:

There's a project here for everyone
Like some crafts or a game just for fun

Grab a partner and celebrate with us
All the special occasions we love

Bridge:

We'll get up and do our exercise like we should
Helps me feel much better every time that I improve

Chorus: Oh, how much I love Activities!
