Button Monogram

Cover the letter of your choice with buttons.
Frame the monogram to decorate a ledge or shelf.

You will need:

- Monogram letter printed on card stock
- Assortment of buttons (1/4" to 1")
- 5" X 7" picture frame without glass
- Hot glue gun, scissors
- (Optional) 12" piece of ribbon

Display a picture of a completed Button Monogram to excite crafters.

Directions:

1. Following the black outline, cut out the rectangle with your letter of choice.
2. Fill the gray area of the letter with an assortment of buttons, using hot glue to attach them to the card stock. Overlap the buttons as needed to cover bare spots.
3. Place the completed monogram in a frame and display it on a ledge or shelf. To display the monogram on a door, glue the ends of a 12" ribbon to the back of the frame for hanging.
